"I love the whole experience."

We really enjoyed a stress-free session in the studio! Rewards work like wonders for the three kids [and mama papa too]. They've got a Snack Bar stocked with what little children would go ga-ga over. A REAL bar where I sneaked from the corner of my eye "Roku Gin" \*SAY WHAT\* And Doggy treats my #Gypsie 熊猫 love!

# OUTDOOR SHOOTS

Authentically capturing just  
you, being yourselves

How many professionally taken photos do you and your partner/family have, ones that you really love and can fill your home with?

An outdoor shoot is a chance for us to capture some really beautiful, candid photos in a relaxed environment. Just you guys being you.

The shoot will take approximately 1 hour as some pets might need a little more time to warm up – we totally understand. Hence, we factor in more flexibility for time.

Either way, I promise that we'll have a lot of fun while we're at it.

8

## PACKAGE INCLUDES:

+ 1 Hour Shoot  
IN YOUR CHOSEN LOCATION (HOME / OUTDOORS)

+ Est. 50 High resolution photos  
PERFECT FOR SHARING ON SOCIAL MEDIA

+ Online gallery  
SPREAD THE LOVE WITH FRIENDS AND FAMILY

\$400

## Can we have an outfit change?

Yes no problem with that! Our studio has a toilet just steps away for changing.

## Is your place wheel chair friendly?

Our studio is located in a building that has lift access. However, to get onto the lift area, there is a small ledge where you might have to overcome. We are more than happy to assist your family with this so just let us know in advance.

## How will I receive my photos?

You'll receive a link to your online gallery to relive your shoot day.

## How long will it take to receive our photos?

For studio shoots, the photos will be ready the following week's friday.

Meanwhile, for outdoor/home sessions, It will take roughly 2-3 weeks to receive your photos.

## What are photos edited? What is color edited?

When photographers shoot, we shoot in the RAW format where the colors are desaturated with low contrast. We also typically shoot underexposed photos for a very technical reason. RAW photos also require specialized programs to open and edit. All the photos we returned will have our signature color applied, creating the colors on the photographs you see on our social media and website.

We can provide some basic photoshop adjustments which include: face slimming, removing of blemishes, etc, if necessary. This will be capped at 3 photos per session.

# FAQ

## What happens if it rains?

For studio shoots, the session can still continue as we rely on studio lights for all the shoots. This way, we can avoid uncertainties caused by the weather. For outdoor/home sessions, We can reschedule the shoot when our dates are aligned.

## Can I print my photos?

Of course, I'd love for you to print your favourite photos! You can easily order photos prints through your online gallery.

## What if I have to cancel or move my booking?

Life is complicated and the unexpected is to be expected. The deposit is non-refundable as this helps to protect my business due to turning away all other bookings for your session. I hope you understand that deposit is insurance for my business to stay afloat in the event of a cancellation.

## Can I remove my mask?

For studio shoots, up to 15 pax (including the photographer) can be in the studio but only up to 10 pax can be unmasked for photos at any point of time during the shoot. For outdoors, the subjects can remove their mask for photographs but have to put it back on when moving from point to point.

## Any recommended make up artist?

We highly recommend @arly.co as they are just next door to our studio! Both Airin and Vicky are very experienced makeup artists that work with a number of local blogshops and well-known in the wedding industry :)

If you would like any specific recommendations, just reach out and I'm sure I will have some suggestions I can send you.

# LOVE NOTES AND KIND WORDS

Testimonials I've received from other couples

## "FUN PAWDELLING EXPERIENCE"

It was such a fun pawdelling experience with my furbro, big thanks to @studiokinu.co for being so patient while we run around and for feeding us with so much treats!

- JOLA & PAWBRO

## "GREAT EXPERIENCE WITH MING KIAT"

He was most kind to accommodate multiple changes to the date we chose for the shoot due to inclement weather. Photos turned out great, and speed of delivery far exceeded expectations. Would recommend without reservations.

- STELLA and COCO

## "HELPFUL FOR FIRST TIMER OR PEOPLE WHO ARE CAMERA-SHY"

Our experience with Ming Kiat at Studiokinu was exceptional and simply one of a kind. Upon our arrival at the studio, he was very welcoming and had drinks already prepared for us. The atmosphere at the studio was cozy and pleasant, making us feel at ease and comfortable throughout our entire stay there. Studiokinu is a pet friendly studio and we decided to bring our one year old puppy, Hoshi, along for our photoshoot. Despite the fact that Hoshi is fidgety and energetic, he remained calm and compose during the entire session. He also kindly provided treats to help make the photoshoot session to go more smoothly. MingKiat was able to perfectly capture our personalities and we are delighted with the results of the shoot.
